- financing models available on a case-by-case basis

Special advice: Ask your employer for financial support

- Some of our participants are supported by their employers
- Argument 1: Valuable qualification of the employee
- Argument 2: study projects are very practice-oriented
- Therefore, the employer profits directly from the new expertise

An aerial photograph of a coastline, likely a beach or island, with a mix of blue water and yellowish-green land. Numerous pushpins are stuck into the ground, marking specific locations. The pushpins are primarily red, with a few blue and black ones scattered further along the coast. The scene is viewed from a high angle, looking down at the coastline.
